

Cleaning Product Bags provide a variety of essentials such as disinfecting products, everyday cleaning items, laundry detergent and new sponges to help families keep their home clean and safe, when they often have a child that has a compromised immune system.

Please wash your hands before you start. Please attach an included tag to each bag. When finished, promptly drop off the bags at either office during our business hours (Monday through Friday, 9 am to 2 pm).

Scan the QR code to learn more about the families we serve
